Dear Director and Member of NACCE;

As a NACCE institutional member you are entitled to submit your upcoming course offerings for inclusion on the NACCE web site.

On the following pages you will find worksheets for the web site's course listings. Please complete them by clicking in the appropriate check box next to each course title. Once you have finished either e-mail, or print and mail to our office. Please do this as soon as possible. Be aware that by using this online form you can not save the completed file. It is recommended to print a copy for your records using the "Print" button above and then click the "Submit" button to e-mail the form back to me. If you choose to mail the form, use the address below.

Levittown Adult Continuing Education

If you print the blank form and want to complete it by hand, clearly check the box preceding each course you expect to offer using **red ink**.

To add a new course: If printing and mailing the form - list it in the relevant category using **red ink**. If e-mailing the form, list the new courses and titles they go under in the e-mail message. **Kindly avoid repetition and use listings only once**. For example: Learning Computers, Your First Computer, Your Friend the Computer, etc. all should be listed on the worksheet as Computer for Beginners. Check the box that is closely related to your course content.

If you have any questions feel free to contact me at (516) 520-8450, extension 824 or e-mail me at mail@levittownadulthood.com (during the summer please use e-mail).

Sincerely,

Doreen Leibowitz
